Where will the bird be kept while unattended? _____ Please describe:_____

Where will the bird sleep at night? _____ Please describe:_____

When you leave town for travel who will care for your birds (please be as specific as you possibly can and please include them as references_____

General Information:

If adopting a bird what other breeds have you considered? _____

What is it about the bird that has generated interest in the breed (if applicable)? _____

Who is this bird for? _____

Who will have primary responsibility for the care of your bird, including feeding, general care, training, and health and veterinary care _____

Have you and your family discussed the pros and cons of owning a bird? Yes ___ No ___ Does everyone in the household want a bird? Yes ___ No ___

What is your family's overall reaction to owning a bird?

Does everyone hold the same reaction? Yes ___ No ___ If no, please elaborate _____

If you have children, are you willing to accept the additional responsibility of a bird? Yes ___ No ___

This may include "childproofing" your bird, additional training sessions with the children and the bird, etc. With birds and children this may also include "bird proofing" your child. In other words, if the bird is for you and not for your child keeping the bird safe at all times will be your responsibility.

Are you willing to teach the children the proper way to handle live animals? Yes ___ No ___

Are you willing to accept that the bird may not like everyone in your family and may particularly like one person more than another?

Are you willing to accept that the bird may not like all your children's friends? Yes ___ No___ If the bird doesn't like them what will you do?_____

Does your lifestyle allow for the time and energy needed to properly care for your bird? Yes ___ No___

Please

explain_____

Is your lifestyle such that friends, relatives, and children may gain admittance to your home, property, and vehicle without your supervision? Yes ___ No___ If yes please elaborate_____

How much do you anticipate spending per year to feed, vaccinate, license, and provide medical care for your new bird?_____

Birds may live longer than 10 years depending upon the size. The larger birds can live 30-40 years. Sometimes more. . Are you ready to take responsibility for the pet's entire lifetime? Yes ___ No___ If not, why?

Are you familiar with the pet ownership laws in your area? Yes___ No_____

Is there a legal limit to the number of birds you may own in your community? Yes___ No ___ If yes, what is the limit?_____

Behavior & Training:

To facilitate the bonding process we recommend every bird owner(s) should attend some introductory bird training and care courses. Would a care / training program be something you, as a new owner, would be interested in participating in? Yes ___ No___ If No, please provide a brief explanation_____

What amount of time and effort do you plan to devote to training your new bird? _____

What is your definition of disciplining a bird? _____

What is your initial reaction to the idea of disciplining your bird? _____

What would be your response when your new bird makes a mistake? _____

What kind of work or behaviors do you expect of your new bird? _____

Have you considered how to prevent behavior problems, such as Aggression____, Squawking____, Feather Chewing _____ Biting _____? Please elaborate as to how you will deal with these types of behaviors? _____

It may take your new bird a month or most likely longer to adjust to its new home. Especially the older ones. Are you prepared to allow this much time? Yes ___ No___ If not, why? _____

Adoption Responsibilities:

Do you agree to return the Bird to Animal Education and Rescue, NFP if you are no longer able to keep the Bird? Yes___ No___

Do you agree to contact Animal Education and Rescue, NFP if you are considering euthanizing the pet for non-terminal health or physical suffering reasons? Yes ___ No___

Are you willing to allow an Animal Education and Rescue, NFP member visit your home? Yes ___ No___ If no, why: _____

Do you agree to contact an Animal Education and Rescue, NFP member if your new bird is having difficulty (behavioral problems, etc) adjusting to your home? Yes___ No___ If no, why?

Adoption Fees:

Our adoption fees are subject to change and you should check with an Animal Education and Rescue, NFP volunteer to verify the adoption fee of the particular pet you are interested in.

Parakeets - \$35.00

Cockatiel - \$75.00

Quakers - \$150.00

Love Birds \$125.00

Parrots & other larger birds (please contact us for more info)

If the bird comes with a cage the price of the cage and supplies will be negotiated upon adoption.

Other fees to be discussed with potential adopters.

*Additional fees may be added to original adoption fee (i.e., unexpected veterinarian bills, out of state vet certificate rider, if the bird came with a cage, the bird will be adopted and a fee will be applied towards the cage and accessories, etc.)

How did you find out about Animal Education and Rescue, NFP? _____

Thank you for taking the time to complete this questionnaire. Your answers will permit us to more effectively match your needs with pets in our program. If you have any comments or concerns about adopting a rescue pet or about this program, please use the back page to share them with us. We are always interested and open to your viewpoint.

By submitting this application, I certify that the information I have given is true. I realize that any misrepresentation of facts may result in losing the privilege to adopt a pet. I understand that Animal Education and Rescue, NFP has the right to deny my request to adopt a pet. I authorize my veterinarian and personal references to release any information requested by Animal Education and Rescue, NFP in the investigation of all statements made in this application.
